Subject: AWESOME ATHLETES

Hello,

I am a faithful viewer of NBC4 news. You do a great job of covering stories and your sports coverage is superb. However, being a resident of Borger, I would really like to see more coverage of sports from our local community college. I recently became employed by Frank Phillips College and it has come to my attention that we have some awesome athletes in our midst. Today, we will be attending a signing at 3:30; Patrice Edwards has been chosen by Texas Tech to play basketball. We also have Desiree Batista, who was chosen player of the week by the NJCAA in volleyball. She was also chosen as All-American. Our volleyball team is also ranked third in the nation by the NJCAA, led by Cara Adams, a former Caprock and WTAMU athlete.

Thank-you for your consideration,

Hello!

My name is Dan DeArmond. You may use my first name on air and any portion of this writing. I live in Amarillo.

First, let me say I think you do great! You are the best out there! Other channels seem to just report the same news that CNN and the world news offers. You folks give GREAT local news as a local station should.

I can't help but write concerning the report about our local gas prices going up because of the northeast power problem. I know this is what has been said... but do you really believe it??? I don't. We are simply being gouged by the gas & oil companies, from the wholesaler to the retailer! Exxon reported 8 times the profit from 1 year ago. Lets think about this... if a few hours of no electricity can raise prices like this..... Think AS CONSUMERS what we could get the prices DOWN to if we all just stayed home one weekend! Yep! Park the rascals for 48 hours and we will once again have decent gas prices. Consumers are in full control....but have forgotten that! Best Regards! Dan.

Thank you to Ny Lynn Nichols,
Please keep up the reports on the food prepares in the area. To me it serves at least two areas of public health. First the consumers know how their favorite eatery is doing in cleaning and handling the food. And second the eating places will try harder to keep their place of business in high standards, cause they know that if they do not, their place will be mentioned for the entire city area to hear about.

Again thank you to Cannel 4 crew

To whom it may concern,

I wanted to write and say that I love your program. We always faithfully watch it. We like all of the people that report the news on your channel.

I know this sounds unimportant but I would like for you to do a show on proper usage of operating sprinkler systems. We live in Westover. Everyday we wake up to major water all over the neighborhood, alleys and streets. People are constantly over watering. I am tired of seeing the water wasted.

Sincerely,
Shelley Billingsley

I recently moved to Amarillo, and like your newscast
the best of the 3 available.

I especially like the professional way all of you look!

I was wondering if Paige was at liberty to share who does
her hair, because I need to get some highlights & a cut
and I am looking for a good hairdresser.

If she can't tell me, I'll understand.

Thank you!

I love watching the news one hour earlier, your news team is the most animated of all the other channels. The weather is a little frustrating though, I look forward to knowing what tomorrow's weather will bring, and the last recap of the weather each program leaves out tomorrow and starts with the following day. So at 9:30 I still don't know what the weather is going to be tomorrow!! Do I stay awake to watch another channel, or do you think you could fix this little problem?

Dear Page, Andy, and everyone else at kamr,

You all do such a wonderful job everyday. I am only 23 and I have lived in the Borger/ Fritch area for almost 5 years. You have been the news cast that I have come addicted to. I don't work or have any children yet, I am basically a housewife, and it is so nice to have wonderful people like you to brighten my day, even with all the horrible things going on in the world. My husband and I really admire what Andy does for kids. We think that is great to put such a positive influence in a child's life.

I was wanting to put my husband's 30th birthday on your news on May 22nd. Could you please tell me if that is possible. His name is Michael Wright. He is the editor at The News-Herald in Borger and he is pretty special and would do anything for anyone. I just wanted to give him a little surprise. Thank You so much for all you do to make the Texas Panhandle a better place. May God Truly Bless each of you.

Sincerely,
Amie Wright

I WOULD LIKE TO START OFF BY SAYING THAT MY WIFE AND I REALLY ENJOY KELLY JAMES AND MARY ALLISON ON THE 9:00 NEWS. THEY WORK SO WELL TOGETHER. WE ESPECIALLY ENJOY WATCHING FOXTALK AS IT HAS BECOME A SOURCE OF ENTERTAINMENT FOR US. WE ARE SIMPLY BLOWN AWAY BY THE PEOPLE THAT WRITE IN TO COMPLAIN ABOUT THEIR FAVORITE SHOWS BEING INTERRUPTED FOR EMERGENCY WAR/WEATHER COVERAGE. WE FIGURE THAT THESE ARE THE SAME PEOPLE THAT DON'T SUPPORT OUR TROOPS OR PRESIDENT. IT MUST BE NICE TO HAVE NO WORRIES IN THE WORLD EXCEPT FOR HAVING YOUR FAVORITE SUSAN SARANDON MOVIE INTERRUPTED BY BREAKING WAR COVERAGE. THESE MICHAEL MOORE WANNA-BE'S NEED TO GET A LIFE AND LET YOU REPORT THE NEWS WHEN IT HAPPENS. KEEP UP THE GOOD WORK.

Dear Mary Lynn,

The 15th annual MS Wild West 150 Bike Tour was a huge success. On behalf of the staff of the Panhandle Division of the National Multiple Sclerosis Society, I want to thank you for letting us use the KGNC sound system for the weekend of the bike tour. It always adds fun to any atmosphere when you can add a little music!! Without the generosity of people like you, it would be impossible to have such a successful event.

The Panhandle Division provides services to more than 650 families living in the Texas and Oklahoma Panhandles, as well as the four eastern most counties in New Mexico. Our Division also puts on other special events including the MS WALK and the MS BEEFaTHON.

A portion of the funds raised by the MS Wild West 150 Bike Tour goes to research while the rest will stay in the Panhandle area to assist the many families who face the daily problems caused by multiple sclerosis. Again, I want to thank you for your help.

Sincerely,

Dear KENIC staff,

Thank you for your tremendous support of the Patriotic Corsette Laceration on September 11, 2002. The Annelle Corsette Club had high hopes of having 40 corsettes participate. Getting the word to Corsette Bureau we knew was going to be a big challenge. Without your support and involvement we could not have had the great response from Corsette owners & the Public as well as our friends and Veterans. It was such an honor to be able to recognize our Veterans and Firemen with the term out we had.

KENIC, Jim Butler, Mary Lynn and all the staff were terrific to work with and we hope you will work with us on this event next year. Our deepest appreciation for your kindness and willingness to support us is extended. We look forward to more "fun" in the future.

Sincerely, Betty Stroughton

Dear Dan,

Thank you for your sponsorship of the 2002 Rowing for Food Poker Run. We appreciate your help with our mission of alleviating hunger in the pithandee. The Poker Run was a great success and we could not have done it without your generous donation of time, remotes and money! ^{thanks so much again}

Dear Dan,

Congratulations are in order on KBNC AM-FM winning the Summit Award. Not only was this a well-deserved award, but companies like yours set the bar on high expectations for others in the Amarillo-Canyon community for next year's campaign.

Thanks again for all of your support of United Way of Amarillo & Canyon.
